Title: Customs-Trade Partnership against Terrorism (C-TPAT) and the Trusted Trader Program.

OMB Number: 1651-0077.

Abstract: The C-TPAT Program is designed to safeguard the world's trade industry from terrorists and smugglers by prescreening its participants. The C-TPAT Program applies to United States importers, customs brokers, consolidators, port and terminal operators, carriers, and foreign manufacturers.

Respondents apply to participate in C-TPAT using an on-line application at: <https://ctpat.cbp.dhs.gov/Login.aspx?ReturnUrl=%2fHome.aspx>. The C-TPAT Program application requests an applicant's contact and business information, including the number of company employees, the number of years in business, and a list

of company officers. This collection of information is authorized by the SAFE Port Act (P.L. 109–347).

The Trusted Trader Program will involve a unification of supply chain security aspects of the current C-TPAT Program and the internal controls of the Importer Self-Assessment (ISA) Program to integrate supply chain security and trade compliance. The goals of the Trusted Trader Program are to strengthen security by leveraging the C-TPAT supply chain requirements and validation, identify low-risk trade entities for supply chain security and trade compliance, and increase the overall efficiency of trade by segmenting risk and processing by account. This Program applies to importer participants who have satisfied C-TPAT supply chain security and trade compliance requirements. The Trusted Trader application will include questions about the following:

Name and contact information for the applicant;

Business information including business type, CBP Bond information, and number of employees;

Information about the applicant's Supply Chain Security Profile; and Trade Compliance Profile and Operating Procedures of the applicant.

Respondents will apply to participate in the Trusted Trader Program using an on-line application available through the C-TPAT portal. The draft Trusted Trader Program application may be viewed at: <http://www.cbp.gov/sites/default/files/documents/Trusted%20Trader%20Application.pdf>.

After an importer obtains Trusted Trader Program membership, the importer will be required to submit an Annual Notification Letter to CBP confirming that they are continuing to meet the requirements of the Trusted Trader Program. This letter should include: personnel changes that impact the Trusted Trader Program; organizational and procedural changes; a summary of risk assessment and self-testing results; a summary of post-entry amendments and/or disclosures made to CBP; and any importer activity changes within the last 12-month period.

SUPPLEMENTARY INFORMATION:

I. Background

A. Section 8 Project-Based Voucher Assistance—June 25, 2014, Final Rule

On June 25, 2014, at 79 FR 36146, HUD published a final rule that amended the regulations governing the Section 8 Project-Based Voucher (PBV) program, largely due to changes made to the PBV program by the Housing and Economic Recovery Act of 2008 (Pub. L. 110–289, approved July 30, 2008) (HERA). HERA made comprehensive and significant reforms to several HUD programs, including HUD's Public Housing, Section 8 Tenant-Based Voucher, and PBV programs. On November 24, 2008, at 73 FR 71037, HUD published a notice that provided information about the applicability of certain HERA provisions to these programs. The notice identified: (1) those statutory provisions that were self-executing and required no action on the part of HUD for the changes to be implemented; and (2) those statutory provisions that require new regulations or regulatory changes by HUD for the HERA provisions to be implemented. The notice also offered the opportunity for public comment on the guidance provided.

HUD followed the November 2008 notice with a proposed rule published on May 15, 2012, at 77 FR 28742, that proposed to establish, in regulation, the reforms made by HERA solely to the Section 8 Tenant-Based Voucher and PBV programs as discussed in the November 2008 notice, to make other related changes to the regulations, and to further solicit public comment. The final rule published on June 25, 2014, conformed the regulations of the Section 8 Tenant-Based Voucher and PBV programs to the statutory program changes made by HERA, made other related changes to these regulations as discussed in the May 2012 proposed rule, and made further changes to the two voucher program regulations as a result of issues raised by public comment and certain clarifying changes determined needed by HUD.

One of the changes made by the June 25, 2014, final rule pertained to labor standards. In the final rule, HUD updated the reference to labor standards provisions that are applicable to assistance under the PBV program to remove the reference to labor standards “applicable to an Agreement” covering nine or more assisted units and substitute a reference to labor standards
