### Trade Secret Theft Occurring Overseas: The Long(er) Reach of the ITC

---

Join us for a complimentary CLE on stopping overseas competitors from using the stolen trade secrets of U.S. businesses, followed by a networking happy hour featuring private access to the Computer History Museum's compelling exhibits.

---

### Trade Secret Theft Occurring Overseas: The Long(er) Reach of the ITC

This seminar will address the comparative benefits of using federal trade secret law or the ITC to address the problem of global technology firms competing against their own trade secret technology, stolen by overseas companies from foreign partners or foreign employees. While the unfair acts may be outside the reach of US trade secret law, they may still be within the grasp of the ITC.

**Tuesday, October 10, 2017**

## The Computer History Museum
